## Buffone Arena, Worgester

This program is an excellent introduction to ice skating for youngsters ages  $2^{1/2}$ -5 years who want to play hockey. Each class consists of a 25-minute lesson where skaters learn the fundamentals of skating required to play hockey in the future. Space for all classes is limited and enrollment is on a first-come, first-serve basis. Once the first half of a class time is full, we will enroll students for the following 25 minutes.

Each child will receive a progress sheet near the end of the Tykes session to help keep track of your child's progress as they move through the 4 basic levels of Tykes. When skaters complete the Tykes program they are ready to move into our Basic Hockey Skills program. Skates will be available free of charge on a first-come, first-serve basis. **Helmets are strongly recommended.**
